Dear Ben,

Thank you for your generous support of Texas Homeless Network throughout 2020. With your help, THN accomplished significant successes last year, such as advocating for robust direct relief to low-income residents to prevent and respond to homelessness amidst the global pandemic. In addition, we successfully secured funding for homeless service providers and implemented major steps toward the first-ever Texas statewide homeless data-sharing network. Please accept this letter as a receipt for your 2020 annual contribution to these and many other successes.

The total amount of your 2020 donations to THN: \$2,750.00

*All donations to THN are tax-deductible within the extent of the law.
THN is a 501(c)3 charitable nonprofit organization, Tax ID #74-2646586.*

Homelessness and housing instability are difficult, often traumatic, and life-altering experiences for any person. It is crucial to our communities' health and well-being that we mitigate all preventable reasons that people who fall into homelessness - and, if and when a neighbor loses housing that we ensure it to be a rare, brief, one-time event in their life. THN works tirelessly to make our vision a reality for Texas. We work to collaborate with all communities across the state to build systems to achieve this goal. We coordinate local and national advocacy efforts, collect and analyze statewide data, host an annual statewide conference, and serve as the host agency for the Texas Balance of State Continuum of Care (CoC) to coordinate programs and funding. We won't stop our work until all Texans have constant access to safe, affordable housing.
