Dear Steven,

On behalf of our Board of Directors, Staff, and the students we serve we wanted to express our sincere thanks for your donation to Communities In Schools of North Texas. We are so grateful for your gift of \$2700 made on 1/25/2021.

As you know, there are many children in our community who are at-risk of dropping out of school due to struggles with poverty, hunger, lack of family support, and other devastating barriers to education.

With your generous support, Communities In Schools is able to provide academic and social service support to hundreds of at-risk students in our community, empowering them to achieve in school and setting them on a path towards a successful future.

This letter is your official acknowledgement for tax purposes that Communities in Schools of North Texas, a 501(C)(3) nonprofit organization, has accepted your donation. For additional details regarding whether or not this donation may be tax deductible, please contact your tax advisor.

Thank you again for supporting our mission: to surround students with a community of support, empowering them to stay in school and achieve in life.

Sincerely,

Ann Pape Wilson
